IPC Global Solutions Promotes Mike Kennedy to President and COO

Taunton, MA, April 1, 2015 – IPC Global Solutions, a major global private label filter manufacturer, is pleased to announce the promotion of Mike Kennedy to President and Chief Operation Officer. Mr. Kennedy will be head up the development and execution of IPC's global strategy. Mr. Kennedy will report to Chairman and CEO Mike Bowden.

"Mike has tremendous experience and a proven track record of success spanning 2X years at IPC. In that time, Mike has led the transformation of our operations and administrative functions into the robust entities they are today. In addition, Mike is leading our innovative strategic development efforts and we are excited to see the fruits of his dynamic leadership in the coming years," said Mike Bowden, Chairman and CEO of IPC Global Solutions.

"I'm honored to be President and COO of IPC Global Solutions. I believe strongly that our best work has yet to be done and that our new strategic vision will bring exciting successes to IPC and the organization's channel partners up and down the supply chain well into the future," says Mike Kennedy. "Our new strategy is focused on innovation, execution and teamwork. I'm looking forward to an exciting future here at IPC."

Mr. Kennedy brings over 2X years of experience at IPC to his new position. He most recently served as IPC's Vice President and Chief Operations Officer and before that IPC's Chief Financial Officer. Mr. Kennedy is a Certified Public Accountant, a graduate of Stonehill College in Easton, MA and a member of numerous professional development organizations including XXXX.
