## **IPC Global Solutions Publishes *2013 ECOGARD Filter and Wiper Application Guide***

Taunton, MA, March 21, 2013 - **IPC Global Solutions** has published the 2013 ECOGARD Filter and Wiper Application Guide. ECOGARD is a full line of filtration and wiper blade products from IPC Global Solutions available to aftermarket distributors in North America. The 2013 ECOGARD Filter and Wiper Application Guide includes coverage for automotive applications from 1990 to 2013.

The 2013 ECOGARD catalog contains comprehensive updates to key features such as popularity guides, line definitions, cabin filter quick reference chart, and cross reference tables. The new catalog features 624 pages, weighs 2 pounds, and is 1.25 inches thick. Most importantly, continuing IPC's role as new product leader, the 2013 ECOGARD Filter and Wiper Application Guide features **40 new part numbers** and expanded coverage into the 2013 model year.

2013 ECOGARD catalogs are available today from IPC's warehouses in Taunton, MA, St. Louis, MO, and Los Angeles, CA. In addition, the catalog has been published electronically to WHI, Activant, ISI, and other e-catalog providers.

Please contact IPC Global Solutions to order copies.
