***Matt believes that consistently demonstrating value is essential to the creation of positive relationships and customer satisfaction***

## Matt Wilson

---

*Marketing Communications Manager*

In a world packed with great starters, Matt Wilson is a visionary that always gets the job done. As the Marketing Communications Manager for IPC Global Solutions, Matt Wilson oversees strategic, creative, and tactical marketing initiatives in support of corporate growth of the business. Matt strives for constant improvement and believes that consistently demonstrating value is essential to the creation of positive relationships and customer satisfaction. In his time with the company, Matt has had a substantial impact on the expansion of creative production and has accelerated the pace of strategic implementation to achieve the branding and business development goals of IPC Global Solutions.

Over the course of a 10-year career in various creative development and marketing roles, Matt has amassed a broad range of integrated design and project management capabilities that make him a great finisher. Matt holds certifications for ArcGIS from ESRI, Adobe Creative Cloud (ACE), and Autodesk AutoCAD/Civil 3D (ACP) in addition to an Associate of Science degree in Graphic Design from the International Academy of Design & Technology.

*Matt lives on the Massachusetts South Coast and enjoys running along the Taunton River, biking the Quequechan River Trail and has been known to jump out of a perfectly good airplane if given the chance. At home he enjoys cooking, restoring antique furniture and spending as much time as possible with his two sons.*
