Mike uses a hands-on approach to employee development that embraces goal-setting, education programs, and involvement in continuous improvement to ensure the company consistently delivers customer satisfaction and substantial value

Michael Kennedy

President, Chief Operating Officer

As President & Chief Operating Officer of IPC Global Solutions Mike helps internal teams prepare for and adapt to company growth and market changes. He leads the strategic planning, financial management, and global operations of IPC Global Solutions. Mike knows that corporate infrastructure is essential to continuously exceeding customer expectations while achieving the company's aggressive business growth goals.

Mike uses a hands-on approach to employee development that embraces goal-setting, education programs, and involvement in continuous improvement to ensure the company consistently delivers customer satisfaction and substantial value.

With a CPA and a strong background in finance, Mike started his career with IPC Global Solutions as the Director of Finance in 1994. Mike previously worked as Auditor and Corporate Controller for companies including Elan Corporation, Lucas Epsco, and Ernst & Young.

Mike is a Certified Public Accountant, holds a Bachelor of Science in Business Administration in Accounting from Stonehill College and has taken postgraduate courses in Finance at Bentley University. He actively participates in the New England Business Association's Senior Executive Circle.

Mike and his wife Patty live in Hanover, Massachusetts and have two grown daughters. During his time away from work, Mike enjoys sports, golfing, biking and participating in his church community.
